Self-Care & Burnout Check

Burnout Warning Signs

Check any that apply to you right now. If you check 3 or more, talk to your supervisor.

- Feeling emotionally drained after sessions
- Dreading upcoming sessions
- Losing patience more quickly than usual
- Withdrawing from peers or staff
- Difficulty sleeping or changes in appetite
- Feeling like nothing you do makes a difference
- Becoming cynical about mentees' ability to change
- Taking mentees' problems home with you
- Snapping at people outside of sessions
- Neglecting your own goals or self-care
- Feeling resentful about your role
- Physical symptoms (headaches, tension, fatigue)
