Session 39 as written runs about 110 minutes. This insert adds a session video and one short talk on a ten-minute practice the men can do anywhere, which fills the session to two hours.

What's in this insert

- **Video 39A, "The Parallel Process"** (1 min 56 s). Whatever is happening inside the mentor shows up in the mentoring; the well that runs dry; you don't graduate from self-awareness; the signs of secondary traumatic stress, one at a time; self-care that works in here; and the support system. It ends on the guide's question, *Does any of this sound familiar? Not from mentoring. From life?*, and holds it for 20 seconds.
- **A talk on refilling the well:** Andy Puddicombe, *All it takes is 10 mindful minutes* (TED, 9 minutes 7 seconds). A mindfulness teacher shows how ten minutes a day of doing nothing, just paying attention to the present moment, refreshes the mind. It needs no equipment and no quiet room, so it fits the Self-Care segment and the wellness plan.

Run of show (120 minutes)

0:30	Secondary Stress and Compassion Fatigue	20	As written. The video listed five of the nine signs; give the men all nine.
0:50	Talk: Andy Puddicombe, <i>All it takes is 10 mindful minutes</i>	10	Introduce it in one sentence: "Here's one way to refill the well that costs nothing and needs nothing."
1:00	Self-Care in a Correctional Environment	15	As written. Start with the talk: "Where in here could you find ten minutes?"
1:15	Exercise: Mentor Wellness Plan	25	As written. Point the men to section 3, their regulation tools; the practice from the talk can go there.
