

FORGE Phase 1 • Week 3 • Session 9 — Media Insert

For the facilitator. Use alongside "Session 9: The Anger Beneath the Anger" in the Phase 1 Facilitator Guide.

Download the videos: forgementors.org/media.html

Session 9 as written already runs the full two hours (120 minutes). This insert adds two short videos and no outside talk. The videos take about six minutes, and those minutes come out of the Instruction segment. This is the heaviest session of the week, so both videos are cards and quiet footage only: nothing on screen acts out anger, a fight or anyone's story.

What's in this insert

- **Video 9A, "The Anger Beneath the Anger"** (2 min 12 s). The techniques from this week belong to the men now; anger is the bodyguard, and today goes underneath it; the guide's three options for pain (process it, numb it, convert it) on screen; "the pain doesn't go away, it goes underground"; and that no one will be forced to share and the writing is private. It ends on today's check-in question and holds it for 20 seconds, with "You can always pass" on screen.
- **Video 9B, "What Anger Covers"** (1 min 59 s). The four emotions men most often convert to anger, one card each in the guide's words (shame, rejection, powerlessness, grief), then **12 seconds of silence** on a quiet card, as the guide asks. It ends on "Naming the real emotion doesn't make you weak. It makes you honest. And honesty is the first step to healing," held for 8 seconds.
- **No outside talk.** The session is full as written.

Run of show (120 minutes)

Time	Segment	Min	Notes
0:00	Video 9A, "The Anger Beneath the Anger"	3	Play it as soon as the men are seated.
0:03	Opening Circle	10	Start the round on the question the video ends on. Go first and model it, as written: honest, not dramatic. If someone passes, let him.
0:13	Review & Reflection	10	As written. The video has already said that the techniques belong to them and that no one will be forced to share. Say the second one again yourself; it matters more coming from you.
0:23	Instruction, Part 1: How Unprocessed Pain Becomes Aggression	12	The video has named the three options. Tell the pressure cooker in your own words and take questions.
0:35	Video 9B, "What Anger Covers"	3	Plays at the start of Part 2 of the Instruction segment. When it ends, stay in the silence a little longer before you speak.
0:38		12	The video shortened each emotion. Read the fuller lines from the guide for any that the room reacted to (lost childhoods, anger at God, "most men in

Before this session

- The guide's safety line for Session 9: no participant leaves the room in visible distress without a brief check-in. Plan a few minutes after the session for that.
- Know your facility's reporting protocol and your mental health referral contact before the session, not after (see "Facilitator Notes for Week 3" in the guide).
- If a man shares something bigger than the group can hold, use the guide's words: "Thank you for trusting us with that. What you're describing is bigger than what this group can hold right now. I want to talk with you after the session to make sure you're getting the right support."

Getting a copy you can play without internet

Both videos are FORGE's own. Download them from forgementors.org/media.html onto the playback device before the session; they play in any video player and need no internet connection. Captions are burned in.
