Session 24 as written runs about 105 minutes. This insert adds two short videos and one talk, which fills the session to two hours without changing any of its content.

What's in this insert

- **Video 24A, "Healthy or Toxic?"** (2 min 27 s). The week's progression (empathy, reading the room, relationships), the guide's hard truth about the part relationships played in bringing men here, then the six marks of a healthy relationship and the six marks of a toxic one, each appearing as the narrator names it. It ends on the guide's discussion question, "What are the signs that tell you a relationship is pulling you backward?", held for 20 seconds.
- **Video 24B, "Calling In"** (1 min 56 s). "No matter what" loyalty against FORGE brotherhood, the six steps for holding someone accountable without destroying the relationship, and calling in against calling out. It ends on "The goal is never to humiliate. The goal is to help."
- **A talk on staying connected from inside:** Angela Patton, *A father-daughter dance ... in prison* (TEDxWomen 2012, 8 minutes 31 seconds). Girls in Richmond, Virginia, took their father-daughter dance into the city jail. Short, warm, and about keeping a relationship strong through deliberate action.

Run of show (120 minutes)

Time	Segment	Min	Notes
0:00	Opening Circle	10	As written: the observation homework check comes first, face to face.
0:10	Review and Reflection, with Video 24A	10	Play the video right after the check-in (2½ min). It gives the review and then runs straight on into the healthy and toxic lists. When it ends on the warning-signs question, start that discussion here (it is the next segment's discussion, brought forward) and let 3–4 men answer, without naming names.
0:20	Instruction: Healthy vs. Toxic Relationships	20	The video has named all twelve marks. Write the two lists on easel paper and go through any the men want to question. Give the guide's "uncomfortable part" in your own words: you are not telling anyone to cut people off tomorrow, but a man trying to change among people who need him to stay the same is fighting with one hand tied. Finish the warning-signs discussion.
0:40	Instruction: Boundaries	15	As written.
0:55	Instruction: The FORGE Brotherhood and	15	The video (2 min) plays at the start and puts the six steps on screen. Use the time it frees to model one short calling-in conversation using the six steps (with your Senior Mentor, if one is there), then take questions.

Time	Segment	Min	Notes
	Accountability, with Video 24B		
1:10	Practice Exercise: Relationship Mapping	25	As written.
1:35	Talk: Angela Patton	9	Introduce it in one sentence: "Listen for what these fathers did, inside a jail, to stay in their daughters' lives."
1:44	Talk discussion	5	Two or three of the questions below. Question 4 leads straight into the closing round.
1:49	Closing Circle and homework	10	As written.
1:59	Buffer	1	

Discussion questions for the Angela Patton talk

1. On a relationship map, where would these fathers have put their daughters, and what mark? What did it take to keep that relationship a plus sign from inside?
2. The girls invited their fathers in "on their own terms." What does that say about boundaries in a healthy relationship?
3. One girl asked her father, "Daddy, when you look at me, what do you see?" If someone who loves you asked you that, what would you want to be able to say?
4. The fathers made their daughters' plates, pulled out their chairs, and held out a hand for a dance: small, deliberate acts. What is one small, deliberate act that would strengthen a relationship on your map this week?

Preview the talk before the session. It contains nothing graphic, but it can land hard on men who have lost contact with their children, and it follows straight after the relationship map. Acknowledge that in the closing round if it comes up.
