Session 44 as written already runs the full two hours (10 + 80 + 20 + 10 minutes). It is the second teaching practicum, so this insert adds only one short opening video, which takes about a minute and a half of the Opening. There is no outside talk, and every segment keeps its length.

What's in this insert

- **Video 44A, "Teaching Practicum 2"** (1 min 31 s). Day two of the practicum: last session's presenters set the standard, today's presenters had the advantage of watching; same rules as last time (30 minutes, a signal at 25, a stop at 30; then three peers and the facilitator give feedback, one thing that worked well and one thing to improve); everyone else participates fully, then observes fully; and a preview of the debrief, where the group names the challenges that came up most, "not to embarrass anyone." It ends on the guide's question for the first group of presenters, *Is there anything you want to say to today's group? Any advice? Any warnings?*, and holds it for 20 seconds.
- **No outside talk.** The session is full.

Run of show (120 minutes)

Time	Segment	Min	Notes
0:00	Opening, with Video 44A at the start	10	Play the video as soon as the men are seated. It carries the guide's opening words and ends on the question for the men who presented in Session 43; take the 2–3 brief comments the guide asks for while the card holds. Then: "Good. Same rules as last time. Rubrics out. Let's go."
0:10	Teaching Practica — Second Group	80	As written. Observe, don't intervene, and take notes for the feedback rounds.
1:30	Debrief: Common Facilitation Challenges and Solutions	20	As written. The video only says the debrief is coming; it names none of the six challenges, so the men find them first.
1:50	Closing Circle	10	As written. The homework's third point sets up Session 45.

About the timing of the practica

At the guide's standard timing (a 30-minute lesson and a 10–12-minute feedback round), 80 minutes holds about **two presenters**; at the shorter 25 + 8 minutes, two with a few minutes to spare. If more men are due to present today than fit, settle with the program lead before the session how they will get their turn (see the same note in the Session 43 insert).
