Session 15 as written runs about 100 minutes. This insert adds two short videos and one short talk, which fills the session to two hours.

What's in this insert

- **Video 15A, "Feedback"** (2 min 2 s). How this week's skills come together, why feedback usually goes wrong (avoided, or delivered like a weapon), where most men have heard it before, how FORGE sees it (feedback is a service), and what today holds. It ends on the check-in question and holds it for 20 seconds.
- **Video 15B, "The SBI Model"** (2 min 7 s). Situation, Behavior, Impact, with the guide's Marcus example built up one piece at a time, what is not in an SBI, and the dorm example set against "You're lazy and you never do your part." It ends on "Situation. Behavior. Impact. Three pieces. Every time."
- **A short talk on giving feedback:** LeeAnn Renninger, *The secret to giving great feedback* (The Way We Work, a TED series, 4 minutes 48 seconds), with discussion questions.

Run of show (120 minutes)

Time	Segment	Min	Notes
0:00	Video 15A	2	Play it as soon as the men are seated, with the talking piece already in the center.
0:02	Opening circle	10	Start the round on the question the video ends on: "Did you use any 'I' statements since yesterday? What happened?" Celebrate attempts, even clumsy ones.
0:12	Review and Bridge	5	The video has given the bridge. Say it in a sentence of your own and move on.
0:17	Instruction: Feedback as Service	10	The video gives the reframe. Use the time for the guide's question behind it, "Where have you received feedback in your life?", and let the men answer before you close with the guide's lines on the person who says nothing and the person who tells you the truth.
0:27	Video 15B , then Instruction: The SBI Model	20	The video builds the Marcus example piece by piece. Take questions, then have the men build two or three SBIs out loud from dorm life.
0:47	Talk: LeeAnn Renninger, <i>The secret to giving great feedback</i> , and discussion	13	Five minutes of talk, eight of discussion (questions below). Introduce it in one sentence: "She studied how people give feedback that actually gets heard. Listen for what matches SBI."

Time	Segment	Min	Notes
1:00	Instruction: Receiving Feedback Without Defensiveness	15	As written.
1:15	Exercise: SBI Feedback Triads	30	As written.
1:45	Closing circle	10	As written.
1:55	Buffer	5	

Discussion questions for *The secret to giving great feedback*

1. She asks for a specific, observable detail instead of a general complaint. Where is that in SBI? Why is "you always" so easy to wave away?
2. She starts by asking whether the person is ready to hear it. What would that sound like in the dorm, in your own words, without sounding fake?
3. She ends by asking the other person a question. What does that do for the man receiving the feedback? How does it separate the behavior from the man?
4. Which is harder for you: saying it straight, or hearing it without defending yourself? What will you watch for in yourself in the triads? (*Carry the answers into the next segment.*)
