Session 2 as written runs about 95 minutes. This insert adds two short videos and one talk, which fills the session to two hours.

What's in this insert

- **Video 2A, "The Circle"** (1 min 53 s). What a circle is and where it comes from, the talking piece, the five rules on screen one at a time, "I pass," and what else happens today. It ends on the first round's question and holds it for 20 seconds.
- **Video 2B, "Your Journal"** (1 min 23 s). Why FORGE writes, that the journal is private, the four kinds of writing, and tonight's prompt. It ends on the prompt and holds it for 20 seconds.
- **A talk on trust:** Brené Brown, *The power of vulnerability* (TEDxHouston 2010, about 20 minutes).

Run of show (120 minutes)

Time	Segment	Min	Notes
0:00	Video 2A, "The Circle"	2	Play it as soon as the men are seated, with the talking piece already in the center.
0:02	Opening circle, first round	15	The video has given the rules. Hold up the talking piece, then start the round on the question the video ends on.
0:17	Co-creating group agreements	30	As written, including confidentiality and its limits.
0:47	Talk: Brené Brown, <i>The power of vulnerability</i>	20	Introduce it in one sentence: "She spent years studying what makes people feel connected. Listen for what she found."
1:07	Trust exercise: Two Truths and a Question	25	Add one question to the debrief (below).
1:32	Video 2B, "Your Journal" , then Introduction to Journaling	15	The video covers the four kinds of writing and puts the prompt on screen. Use the rest for questions and your own words on why you write.
1:47	Closing circle	10	As written.
1:57	Buffer	3	

If the first round or the agreements run long, and with 12 to 15 men they often do, swap the 20-minute talk for the 3-minute RSA short *Brené Brown on Empathy* (links below).

Question to add to the trust exercise debrief

- "She says connection takes the courage to let yourself be seen. What makes that hard in here? What would make it possible in this room?"

If time allows:

- "She says you can't numb the hard feelings without numbing the good ones too. Where have you seen that in your own life?"
- "Which of our group agreements makes it safer to be seen?"

A note on the journal prompt

Session 1's closing already asked the men to journal on what being a stakeholder means to them. Video 2B ends on the same question with a second part, "Do you believe it? Why or why not?" Men who already wrote on it can answer the second part tonight.
